Second Addendum to Trade Circular No. 11/2011 Dated 01.08.2011

Dated 12.09.2011

Subject: e-registration of dealers and modalities connected thereto.

In Trade Circular No.11/2011, Dated 01.08.2011, salient features of e-registration of dealers were spelt out in paragraph 4 of point A of that Circular. In feature (b), it was specifically mentioned that self-attested printout of Form-1 and supporting documents were to be sent by the applicant dealer by registered post, speed post or in person, as the case may be, within 10 days of filing of on-line application for registration. More than one month is over and it has come to my notice that not the self-attested printout of Form -1 but the self attested physical copy of Form-1, different from that of printout one, is being sent to the registering authority by the dealer after on-line submission of application. This has created lot of problems and has delayed the disposal of application which is not at all intended. Therefore, it is decided that when on-line copy of Form -1 will differ from that, claimed to be self-attested printout of Form-1, the application will instantly be rejected by the registering authority and the dealer shall be intimated accordingly.

The direction given above shall be followed forthwith by all registering authorities. Dealers are requested to cooperate with the Directorate.
