

The Blocking/Unblocking of E-Way Bill generation

Dated: 12-11-2019

E-Way Bill system will have a new feature of blocking/unblocking of the taxpayers from next month, as per the rule. That is, if the GST taxpayer has not filed Return 3B for the last two successive months in GST Common portal, then that GSTIN will be blocked for generation of e-way bill either as consignor or consignee.

Now, this month, the tax payer will be alerted with a cautionary message while generating the e-Waybills, in case Return 3B for the past 2 successive months of the consignor/consignee GSTIN has not been filed. However, from next month onwards, such GSTINs will be blocked.

On Filing of the Return-3B in the GST Common Portal, the GSTIN will get automatically updated as 'Unblock' within a day in the e-Waybill system and the tax payer can continue with e-way bill generation without any cautionary message.

However, if the status is not updated in e-waybill system, then the taxpayer can do it by going to the e-Waybill portal and clicking on option **Search-> Update Block Status**. Enter the GSTIN, followed by the CAPTCHA and click on GO.
